

About Us

Chapin Woman's Club (CWC) was federated in 1971 as a 501(c)(3) tax exempt organization. We have made a difference in our community for 50 years through many diverse projects. CWC scholarships have helped many young women complete degree programs, and our grant program allows local organizations to apply for financial assistance for specific needs. Our success with fundraisers enables us to give more back to our community through larger grant donations and significant scholarships. This is our 4th Charity golf tournament. We are asking for your help as we continue our work. We are seeking sponsors and golfers.

Chapin Woman's Club greatly appreciates your consideration and generosity, and we look forward to your participation in this year's charity golf tournament.
